number

How came the
vacation to your
attention?

Date of master/diplomy certificate:

Mark of the master/diplomy certificate:

I apply for the following
SE2B research project:

Earliest possible start date:

e.g. 01.04.2016

Name of supervisor

I am aware that to fulfill the requirements of the Mobility Rule I may not have spent more than 12 months in the country of the host institute/company in the past three years in total.

I agree that my personal data, as provided by me, may be saved and used for the purposes of the SE2B programme and for anonymized statistical surveys. My data will not be used for other purposes, nor will such data be forwarded to third parties outside the SE2B consortium.

I herewith confirm that I am an Early-Stage Researchers (ESRs) and, at the time of recruitment by the host organisation, I am in the first four years (*full-time equivalent research experience*) of my research career and have not been awarded a doctoral degree.

When completed, please save the form and send it according to the application guidelines.
