##### Morning

- Lectures

##### Afternoon

- Practical part

#### **1.6.**

##### Morning

- Student presentation of results
- Summary and final word
- Lunch and departure

**Practical information:**

- The accommodation will be organized in Trebon by organizer for all the participating students, so there is no need for booking the accommodation on your side.
- For the arrival, ideally you fly to Prague and by bus you will travel to Trebon. Detail information will follow.
- The transportation from Trebon to AlgaTech Center, which is few km from Trebon, will be organized and all participants will be transported daily to the Center and back.
- Lunch and coffee breaks will be organized directly at AlgaTech Center.
- Further information will follow within coming weeks.
